Education

BTech, Mathematics and Computing: Indian Institute of Technology Goa	CGPA: 6.86/10	2024 - PRESENT
Class 11-12, CBSE: Green Valley, Gandhinagar, Gujarat	12 th Class: 86.2 %	2023 - 2024
Class 6-10, CBSE, Jawahar Navodaya Vidhyalaya, Dhansura, Arvalli, Gujarat	10 th Class: 90.4	2017-2022

Projects

Smart MCQ Solver[\[Github\]](#):

- Built and evaluated multiple **deep learning models** for automated **multiple-choice question answering** using **PyTorch**, including **Bi-LSTM**, **Transformer**, and **MLP** architectures.
- Fine-tuned a **MiniLM-L6** pretrained language model by unfreezing the final encoder layer and designing a custom classifier head for prompt-option scoring.
- Designed custom **Bi-LSTM** and **embedding-based MLP** architectures, implementing end-to-end training, evaluation, checkpointing, and experiment tracking with **Weights & Biases**.
- Achieved a best validation **MAP@3 score of 0.9972** using a custom Bidirectional LSTM architecture.

Rent Management(A DBMS Application)[\[Github\]](#):

- Built a desktop-based Rent Management System using Python, Tkinter, and PostgreSQL to manage tenant records through role-based access.
- Implemented complete **CRUD operations** with **psycopg2** for persistent database storage, record management, and data retrieval.
- Developed separate **Admin** and **Tenant** interfaces featuring authentication, input validation, password masking, and rent summary export functionality.

Exam Portal Application[\[Github\(Backend\)\]](#)[\[Github\(Frontend\)\]](#):

- Developed a full-stack **exam management system** with separate backend and frontend repositories to enable secure test administration and automated grading. All built using MERN stack.
- **handles multiple user roles**(students, instructors).

Skills

Programming Skills: C, C++, Python, Java, Javascript, SK-learn

Computer Skills: Linux, Git, Github, DBMS, Computer Networks

Relevant Coursework: Data Structures, Algorithm Design and Analysis, Linear Algebra, Machine Learning, Probability and Statistics, DBMS, Numerical Analysis, Discrete Maths, Multivariate Calculus, Real Analysis

Positions of Responsibilities

Secretary: Secretary of Math and finance club of IIT Goa (2024-2025)

Technical: Core Member of Infosec(Cybersec Club), and Architect (Web Dev club)

Extracurriculars and Hobbies

Inter IIT Tech Meet: Selected as a member of the team representing IIT Goa in the **High Prep AI/ML problem statement** at the **Inter IIT Tech Meet**.

Sports/Athletics: Basketball, Kho-Kho, and Handball.
